Memphis Athletic Ministries, an organization whose mission is to help build godly youth in under-resourced neighborhoods by teaching them to love God, love others and love themselves, enlisted the talents of Fleming Architects to create a building that would help fulfill the Ministry's mission. The Grizzlies Center, which is partially funded by donations from the Memphis Grizzlies, is now the main headquarters for the Memphis Athletic Ministries corporate offices and is equipped with two full size indoor basketball courts, the Grizzlies Activity Zone game room, a computer lab, and a large multipurpose room.

The Memphis Grizzlies regularly host camps, clinics and programs at the Memphis Athletic Ministries facility.
